| 1.4 – Feedback System | | | | | | |
| 1.4.1 – Whether structured feedback received from all the stakeholders. | | | | | | |
| Students Yes | | | | | | |
| | | | | | | |

| Teachers | Yes |
|-----------|-----|
| Employers | Yes |
| Alumni | Yes |
| Parents | Yes |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Our institution collects feedback from its stakeholders such as students, teachers, parents, employers and alumni every year for the development of the college as well as for the development of our students in terms of its relevance and appropriateness based on recent developments,. The feedback system plays a vital role for the development any Institution, In this context, the feedback system is smoothly running with the collections individual feedback from the faculty, students, parents, alumni , industry persons etc. during every semester interval. The valuable suggestions are being implemented with due approval of the committee members. The College follows a continuous review system of the curriculum. The Institute has an IQAC to create Quality sustenance and Quality enhancement measure. The IQAC has been infusing a sense of belongingness into the entire teaching faculty of the Institution. The functioning of various committees of the College strengthens the quality sustenance and enhancement measures to ensure the effective development of curricula. The college makes efforts to integrate socially relevant issues into the curriculum with the help of the different cells functioning in the college like Career Guidance Cell, Anti-Ragging Cell, SC/ST Cell, NSS and woman harassment cells. The Academic Audit Committee ensure quality enhancement. IQAC has been organizing Faculty Development Program every year to enhance the quality education and teaching pedagogy of the faculty to reach at optimum level.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Fir , 3rd and 4th yea ntors acts as mer culty, resulting in | nic and personal rst year students r students' mentors ntors for the same greater exchange o |

members keep a detailed record of the performance of the mentee regularly. The mentors perform the following functions: • Maintain an open and friendly environment between mentor and mentees. • Continuously monitor, counsel, guide and motivate the students in all academic, personal and career concerns. • Contact parents if situation demands e.g. academic irregularities behavioural changes and interpersonal relationship etc. •
 Discover talents and interests of mentees and encourage them. • Advice students in their career development

regarding self-employment opportunities, honesty and integrity required for career growth. • Advice students in their professional development regarding professional goals, selection of career and higher education. • Counsel them on their course regarding low attendance and poor performance. • Maintain a mentoring form with a brief but keep a clear record of all discussions with student. • Intimate HOD if any administrative action is needed. It enhances the students' confidence and challenges them by setting higher goals and ultimately guiding them to achieve higher levels. It is the better way for students to have psychological support at the time of need. In addition, mentoring for students helps them to feel more connected and engaged on campus, which can ultimately improve student outcomes and students become more discipline in their academic journey.

| Number of students enrolled in the institution | Number of fulltime teachers | Mentor : Mentee Ratio |
|--|-----------------------------|-----------------------|
| 945 | 130 | 1:7 |

2.4 – Teacher Profile and Quality

2.4.1 - Number of full time teachers appointed during the year

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Alumni Association DRIEMS (Degree) is a registered organisation having Registration no 18135/88 of 2012-2013 under the act XXI of 1860. The total number of members enrolled: 1901 till june 2020. This organisation strives to nurture a lifelong intellectual and emotional relationship with the college and amongst Alumni and provide sustainable platform for effective networking, goodwill and support. It promotes and fosters mutually beneficial interaction between the Alumni and the present students of the Institute and between the Alumni themselves. It also encourages, promotes and facilitates education, research and other activities of the Institute. Following are the key objectives of this organisation: In the felicitation of Alumni Meet the degree and proposition of participation and involvement is highly fabulous in nature. They provide the details of their position and service and the prevailing competition in the present scenario. They involved in motivating and guiding the students by sharing their past and present experiences in their relevant field. Career guidance Programs are conducted for higher studies and jobs by the high profiled alumni to the concerned department students in context to their institution and other institutions too. Some of the alumni who have become entrepreneurs by running their own Workshops, Service Centers, Computer Centers, Internet Browsing Centers etc. have extended their co-operation for the students, By guiding the students during campus interviews for the current final year students. • To encourage the Alumni to take an active interest and participate in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater. • To establish, maintain, control and manage Chapters of the Association in India and Abroad as a means to increase participation of Alumni. • To help the alumni with their technical problems through involvement of other alumni and faculty of the institute. • To recognize outstanding social and community service by the Alumni and the students. • To invest and deal with the funds and moneys of the Association. • To print, publish and circulate articles, news letters, journals, bulletins, pamphlets, posters, that the Association deems fit/desirable for promotion and furtherance of its objectives.

5.4.2 – No. of registered Alumni:

1901

5.4.3 - Alumni contribution during the year (in Rupees) :

20500

5.4.4 - Meetings/activities organized by Alumni Association :

• A Seminar has been organised on 14th Aug 2019 on the topic "Human Computer Interface". The Talk was presented by the Alumni, Deepak Kumar Padhi, IIT, Bombay (2011 batch).

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

A supple governance performance allows the institution to urinate signatory strides towards the fruition of its goals. Organisation is based on themes of: 1. Independency and omission: Each edifice and administrative sets their own organism strategies along with the Lead of the infirmary. Along with the strategy, a set of targets and boundary conditions are prescribed against which the loco mote towards sale the strategy is metric. 2. Synergism between academia and administrative where administrative tracks are kept identify since the requirements of individuals in the two tracks are opposite. Shared (HR, finance, register management, demesne management etc.) centres are foreign and operated that service all the Faculties. Clarity and answerability: Uncloudedness is apportion at two level institution to outside stakeholders and within the organisation. For the stakeholders, yearbook reports, research publications, scholarly and programme reports are publicised. Internally, a 360 level feedback transform alone assist for appraisals is allocate. To ensure answerability, targets Every twelvemonth during the strategy resolution stage, against which each function is plumbed. 4. International advisory: Statutory donnish bodies like Boar Direction, Educator Council and Boards of Studies are represented outside members from domain and industry who support efficacious inputs are unified into the method. 5. Body sign: All the statutory of the create body members state as mandated by the regulations which is detailed beneath: Statutory Body Gross magnitude of ` members Game board of Direction, Scholarly Council, Power Committee of Studies, Explore Consultative Commission, Preparation Monitoring Sign, Departmental Boards of Studies, Far Faculty conducts HoDs meetings periodically wherein body sign academics, brass and search is discussed and decisions taken in the division surface, faculty provide their signal on different graduate in departmental meetings so that the interests of the principal stake holds viz., students, are confiscate fixing of. In improver to the above, Faculty members are piece of Class Committees wherein they official in changes of the pedagogy epistemology and judgment epistemology after interacting with the students. In different committees constituted from measure to time for the smooth running of the infirmary.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

| Strategy Type | | | | | | |
|---------------|----|----------|--|--|--|--|
| Admission | of | Students | | | | |

Details

| | created to focus only on the student admission process. The team is assigned to help the students and pass any kind information throughout the year in regards to their admission, scholarships and other information. |
|---|--|
| Industry Interaction / Collaboration | The institute has been collaborated with different industries in the past year to emphasize the placement of the students in maximum number. Different training programs offline and online has been conducted by the training and placement department to motivate and improve the quality of the students to crack in maximum no of placement in good industrial areas. |

| Human Resource Management | New research experts have been appointed to emphasize the research |
| | programs going on in the institutes. Moreover professors from different renound institutes with more experience have recruited to reenergise the faculties with new ideas and a believed support from their experiences. |
| Library, ICT and Physical Infrastructure / Instrumentation | programs going on in the institutes. Moreover professors from different renound institutes with more experience have recruited to reenergise the faculties with new ideas and a believed |
| | <pre>programs going on in the institutes. Moreover professors from different renound institutes with more experience have recruited to reenergise the faculties with new ideas and a believed support from their experiences. A part of the library has been updated with new edition of books and video lectures of the faculties and other subject experts has been included in the library. ICT classroom with modern facilities has been provided to every department. Few labs have been developed in some departments to emphasize the project work of the</pre> |

| | the responsibility of the examination by providing the platform of preparing the question papers from the internal as well as external examiners. Also evaluation of the answer sheets and production of the results have been given more importance to be done in time. Double checking of the answer sheets by examiners and the mark foils have given more emphasis. |
|-----------------------|--|
| Teaching and Learning | Teaching and learning process is mainly emphasized by different methods adopted such as ICT classrooms in every department and power point presentations by the teachers. Summer internships and study tours have been more emphasized. |

6.2.2 – Implementation of e-governance in areas of operations:

| E-governace area | Details |
|-------------------------------|--|
| Administration | The Notice for the meetings is circulated through digital media such as whats app, Intramail or webmail of the concerned members. Biometric attendance is in place to record the attendance of all staff members. The attendance of the students has been maintained in Management Information System (MIS). The MIS has also incorporated with model questions, Video lectures and other academic materials related to students benefit. |
| Finance and Accounts | The Finance and accounts is managed through online mode. This has helps keeping records of receipt of funds, projects, consultancy income, donations, staff salary and all types of purchases and payment of various utility bills and taxes. The payment of student fees is also maintained trough online mode. All important finance matters and administration matters are maintained in a cloud based information database. |
| Student Admission and Support | The admission procedures have been displayed in the Website regularly. The Students seeking admission in the Institution need to apply in online mode. Students are allotted to the institution in online platform. The fees of the students can be deposited through online mode |
| Planning and Development | The Institution is well equipped with e -governance systems that include computerization and management of processes such as registration, |

| | admission, student information, classes, time table, attendance, library, salary and expenses, examinations, grades, hostels, and reports. Many of the software available allow stakeholders to choose from the available modules to suit their needs for monitoring of these aspects. The Vision, Mission Statement and strategic plan of the Institution are displayed on website. The Code of Conduct for various elements of Organization is displayed on the Institution Website. |
|-------------|---|
| Examination | The Students fill up the Exam Forms in online mode. The question papers are received from the University in Online mode. The Institution has been selected for evaluation centre where the entire evaluation processes are carried out. It has been completely monitored by the University Personnel. The evaluation centre is not only applicable to in- house Faculty members but also open for other faculty members nominated by the University. The evaluation process is completely paperless and even biometric attendance has been kept for faculty members for keeping their attendance report. The declaration of results is notified in the University website and in the institution website too so as to easy access by the students and faculty members. Each student has an unique ID and Password through which they can glance the entire semester wise result at any time and at any place. |

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

• THE INSTITUTION HAS THE MECHANISM OF BOTH INTERNAL AND EXTERNAL AUDITS FOR ALL THE FINANCIAL ACTIVITIES CARRIED OUT IN THE INSTITUTION EVERY YEAR. ACCOUNTS DEPARTMENT HEADED BY ACCOUNTS OFFICER MAINTAINS FINANCIAL ACCOUNTS DAILY AND PREPARES ALL FINANCIAL STATEMENTS AND SUBMITS THEM TO ALL STATUTORY BODIES LIKE AICTE, UGC AND STATE GOVERNMENT AS AND WHEN REQUIRED. THE INSTITUTION HAS BOTH INTERNAL AND EXTERNAL AUDIT SYSTEM. INTERNAL AUDIT: THE INSTITUTION CONSTITUTES AN INTERNAL AUDIT COMMITTEE. THE AUDIT IS CONDUCTED ON A SAMPLING BASIS TO CHECK THE CORRECTNESS OF THE FINANCIAL TRANSACTIONS AND STATEMENT AFFAIRS OF THE INSTITUTION. THE COMMITTEE VERIFIES CASHBOOK, BANK ACCOUNTS, LEDGERS, BILLS, VOUCHERS, AND STATEMENT OF CASH POSITION AND CASH FLOW PHYSICALLY AND CONDUCTS SAMPLE CHECKS ON THE HEADS OF VARIOUS ACCOUNTS, BALANCE DATES, AND POSTINGS. EXTERNAL AUDIT: MR. R.C. PRATAL, HAVE BEEN CHARTTRD ACCOUNT FOR THE INSTITUTION FROM THE LAST FEW YEARS. AN ANNUAL EXTERNAL AUDIT IS CONDUCTED, AND THE REPORTS ARE SUBMITTED TO THE MANAGEMENT. THE FINANCE COMMITTEE RATIFIES THESE REPORTS. AUDIT OF FUNDS RECEIVED FROM GOVERNMENT AND NON-GOVERNMENT RESEARCH FUNDING AGENCIES CONSULTANCY IS DULY DONE AS PER THE GUIDELINES OF THE FUNDING AGENCIES AS AND WHEN REQUIRED.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

| Administrative | No | Nill | Yes | Director (Adm inistration) | | |

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

There is no Parent - Teacher Association exist in the institute Regular parents meetings are conducted: Parents are providing valuable suggestion for the development of the students as well as institute.

6.5.3 – Development programmes for support staff (at least three)

• HEALTH A WARENESS PROGRAM SEXUAL HARASSMENT AWARENESS WHISTLE BLOWER POLICY FIRE SAFETY PROGRAM ESSENTIALS OF SOFT SKILLS, INTERPERSONAL SKILLS AND LABORATORY DOCUMENTATION IN LINE WITH NBA ACCREDITATION ORGANIZED BY VARIOUS DEPT. OF THE INSTITUTION • ONLINE CERTIFICATION COURSES WERE COMPLETED • COMMUNICATION SKILL DEVELOPMENT COURSES WERE ORGANIZED • DOMAIN SPECIFIC SKILL DEVELOPMENT TRAINING OFFERED

6.5.4 – Post Accreditation initiative(s) (mention at least three)

ME Dept. : (1)Setup new laboratory with modern equipment. (2) focus on nonconventional energy sources. (3)Fund generation. EE Dept: (1)Setup new laboratory with modern equipment. (2) focus on RD Activites and generating huge amount of funds (3) Stress on creating centre of excellence in collaboration with research industry 4) Focus on hybrid power generation. CSE Dept. : With reference to letter number NBA/ACCR-988/2004 dated 19/07/2008 the Department of Computer Science and Engineering of DRIEMS has been accredited for 3 years w.e.f 19/07/2008. A comprehensive report mentioning the strength and weakness of our department submitted by the chairman of expert committee. The department initiates necessary action to overcome shortcoming obs Observation-1 Workplace for computer needs improvement. Action Taken Previously exiting laboratories (in five nos) has been reconfigured to provide better workplace and new laboratories (in three nos) have been set up with adequate workplace for users. Observation-2 Adequate number computers for lab activities. Action Taken In the 2008 the department had 5 (five) laboratories with 221 number of system. In the year 2010 the department had set-up 3 (three) new laboratories with 96 numb3ers of systems equipped with up-to-date lab resources: • Java programming lab • Software Engineering lab • Graphics and multimedia lab Observation-3 Budgetary provision for research is necessary and organized plan for its utilization should be worked out for in-house research. Scope for consultancy needs to be pursed. Action Taken On each financial year the budget is put up for research and publication work. The utilization is also worked out properly. The department has also initiated various consultancy works. The departme3nt has its own journal (International Journal of Intelligence Computing and Applied Sciences). The consultancy work has been carried out in collaboration with career line. Software projects are developed for various institutions and

| Solar cars are powered by the suns energy. The main component of a solar car is its solar array, which collect the energy from the sun and converts it into usable electrical energy. The solar cells collect a portion of the sun's energy and store it into the batteries of the solar car. Before that happens, power trackers converts the energy collected from the solar array to the proper system voltage, so that the batteries and the motor can use it. After the energy is stored in the batteries, it is available for use by the motor motor controller to drive the car. The motor controller adjusts the amount of energy that flows to the motor to correspond to the throttle. The motor uses that energy to drive the wheels. | | | | | | | | | | |

 Initiative plantation activity 2. Natural water preserver(Pond) 3. Ban on plastic bottle use 4. Convert food waste to fertilizer 5. Use of non polluting e-vehicle inside the campus.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1. Practices in Teaching-Learning Process ? Encouraging students to take internship in various industries and also provide various add-on course to fill industry institution gap. ? ICT based Teaching -Learning ? Student counselling both for personal and career guidance including proctorial system . ? Remedial class Teaching throughout academic Sessions for improving Transition rate Pass rate ? Student feedback system on Academic and Non-Academic Reforms ? Activities of student chapters on both professional and cultural front for the overall development ? Encouraging the faculty to upgrade their knowledge and skills through Faculty Development Programs 2. Best Practices in Training and Placement ? Training on Specialized Soft skills Professional Skills during Semester Breaks Vacations for Improving Employability ? Arranging Guest Lectures inviting people and alumni from Industry for training and placements 3. Best Practices in Personality Development ? Inclusion of "Professional Ethics" - a non-credit mandatory course (as per AICTE model curriculum) in the curriculum. ? Social service through Student groups (formed by themselves), JALACHATA etc. ? Organizing coaching camps in different sports and games activities ? Organizing Social awareness programs (Ex. NSS, Blood donation camps etc.) ? Conducting Activities concerning spirituality and yoga. 4. Best Practices in the Research and Development ? Knowledge sharing through regular seminars on research topics ? Conduct of workshops and conferences periodically on thematic areas ? Incentives for Research Paper Publications, Text book writing, Guiding Ph.Ds, securing RD Projects and consultancy ? Encouraging Faculty by deputing with salary to pursue Ph.D in IITs and NITs under QIP ? Motivating faculty by granting Study leaves and Academic leaves while their attending Refresher / Training programs for skill / qualification up-gradation

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://www.driems.ac.in/driemsdegree/iqac/2019-20_best%20practices_07_09_21.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Institutes vision is to be a premier academic institution that fosters diversity, value added education and research, leading to sustainable innovations and transforming learners into leaders. In line with the institute vision, the institute provides an "Innovation Ecosystem" to nurture the students who have brilliant innovative ideas and those who are interested to start their own start-up companies instead of simply looking for placements.

The main aim of providing the Innovation ecosystem is that if students could develop and sustain their products/services in the market, they could create new job opportunities for the society which will essentially transform them as leaders from learners. Good quality research work of students and faculty members could also get published in the National / International reputed conferences and journals. A few innovative ideas could then be converted into filing patents. In order to support this initiative, Institute encourages students to work on their Innovative / Entrepreneurship ideas by way of providing separate work space within the campus with high speed Internet connectivity, necessary laboratory infrastructure in terms of hardware and software, and faculty guidance. The facility is termed as Entrepreneurship Development Cell (EDC) and students get complete freedom in terms of working hours, laboratory equipment and Internet usage. It is expected that students would develop new products/services and make them commercially viable in the market. Students also receive financial assistance from the Institute in terms of seed money/encouragement awards to start their research and development

work.

Provide the weblink of the institution

8. Future Plans of Actions for Next Academic Year

The Institution has been in a constant process for initiating and implementing various activities to improve quality in the different aspects of Academics, co curricular and extracurricular activities, faculty development. The Institution is focusing to give social exposure to students and faculty by conducting extension activities. In view of the vision, mission and core values, institution has planned to apply for State University Status. Further the institution plans to host a set of international conferences in the upcoming year. The objective of these research based forums will be to serve as inter-disciplinary and multidisciplinary avenues for exchange of business ideas, best research practices and research outcomes, for the benefit of the corporate professionals, industry practitioners, academicians and researchers at large. Research workshops and special sessions are also being organized with the intention of familiarizing individuals with the latest developments pertaining to research methods, technological evolution and research paper writing, thereby aiming at increasing the intellectual output of the institution. Institute has planned to encourage faculty members and students for filing patents too. Moreover, the Institution constantly provides Intensive training for preparing students for competitive examinations. Recently, Institution has formulated committee of faculty members for preparing competitive examinations. This committee will work for providing support to students willing to prepare for various competitive examinations and for creating conducive environment for students for the same. Innovations, Incubation, Start-ups Innovations, and Incubation Start-ups are becoming a part and tract of Higher Education. Therefore, IQAC felt the necessity of a dialog to exchange ideas with all stakeholders to promote the Incubation centers and Startups in the campus. Planning to execute few boot camps in the campus so as to encourage and create awareness about start ups. Further Improvement in Communication skills of students through peer learning strategy and bridge courses, motivate the students to register for online courses and participate in Smart India Hakathan are another plan of action for the academic year.
