

DEPARTMENT OF EE & EEE

Date: 01.05.2018

Research Publication:

- Prof. Manas Ranjan Mahapatra, Prof. Krushna Chandra Sahoo and Prof. Gokulananda Mishra of Department of Electrical Engineering Published a Paper named “***Directional Relaying on Power Network using DFT Algorithm***” in National conference on “***Recent Trends in Custom Power Supply***” organized by **School of Electrical Engineering, KIIT, Bhubaneswar** in collaboration with **Institute of Engineer (IE), Kolkata** on 28th - 29th April'2018.
- Prof. Satyaprakash Rout and Prof. Angad Kumar Lenka of Department of Electrical Engineering Published a Paper named “***Modeling and Design of PV-Grid control system using PWM technique***” in National conference on “***Recent Trends in Custom Power Supply***” organized by **School of Electrical Engineering, KIIT, Bhubaneswar** in collaboration with **Institute of Engineer (IE), Kolkata** on 28th -29th April'2018.
